

RESIST AUSTERITY! RECLAIM THE ECONOMY! RECREATE OUR DEMOCRACY!

Join us for a day of action
to put America back to work.

We'll be meeting at
Thompson Center Plaza,
where we'll rally before
setting off for a march to
call for Jobs, Not Cuts.

Together we can deliver a
strong message: That we
need jobs for the 99%
instead of corporate welfare
handouts for big banks and
businesses!
